STANTON STARS AT PROVINCIAL WRESTLING CHAMPIONSHIPS

Rookie wrestler **Nicole Stanton** was impressive in her first trip to the BC High School Championships upsetting four girls in the 64 kilo class on her way to the final. In that final, Nicole battled W.J. Mouat's Ashley Topnik, a Team B.C. wrestler who only narrowly beat her in what was named the Out-

standing Bout of the tournament.

Also competing for Sardis at the Provincials was, **Keeley Shaff** who went 4-2 to place in the middle of the 51 kilo pack.

Brad Esau bowed out in two straight matches in the 70 kilo division and **Kamryn Winter**, who trains with Sardis but who com-

petes for Chilliwack Secondary School, placed 4th in the 54 kilo category.

Congratulations to all Sardis wrestlers on a fantastic season. A special thanks goes out to the coaching staff who put in many hours helping our grapplers to reach their potential in this great sport.

"...off to the Great Wall. It was an amazingly beautiful day but it was cold. Everyone was overcome by the magnitude of the beauty and the thought that they were standing on something with so much history." - Jessica Adams-Loupret (China 2010)

CONGRATULATIONS TO MIKKAELA SLYKERMAN, one of our Aboriginal students and a member of a cheerleading group of 22 girls who went to Disneyland and competed against 11 American teams. The team, being the only Canadian team participating in the competition, went on to win **First Place!** Congratulations!!
