## SCHOLARSHIP REQUIREMENTS

Each year Utopia Academy offers two scholarships in each Hair Design and Spa Esthetics Program. The **\$1,000.00 scholarship** is made available to any student currently enrolled in high school. It is the responsibility of the high school to collect the scholarship applications and submit them to the Administration department at Utopia Academy. If your high school does not have this information, please advise them to contact the Administration department at Utopia Academy. Scholarships may be applied towards tuition for students accepted and enrolled at Utopia Academy. The scholarships awarded hold no cash value. Scholarships must be used within two years from the date of issue.

Following is the criteria students must meet for scholarship application:

1. Student must be enrolled in the Hair Design or Spa Esthetics Program at Utopia Academy. Therefore, they have met all the requirements of enrollment. (Exception to this is the requirement to have completed grade 12.)
2. Submit a typed, two paged, and double spaced essay. The essay must explain the students motivation and aspirations for their future in this trade for their choice of career.
3. Submit an outline of experience: include community involvement, extra curricular activities, and industry related experience. (Resume format)
4. Submit three character reference letters.

To be considered for selection, scholarship applications must be received by Utopia Academy's Administration Department, before April 30<sup>th</sup>.

In order to provide an optimum learning environment, Utopia Academy, has a limited capacity of students per program. Pre-registration may be required.

Utopia Academy is **Registered and Accredited** with the Private Career Training Institution Agency of British Columbia.
