

Weekly Time Logs and Reflections

Remember: The purpose of student leadership is to...

- **learn and develop as a leader**
- inspire our school to **make a difference** in our school, community, and world.
- promote the “columns of character” in our school: including **respect, integrity, perseverance, passion, empathy, accountability, and achievement.**

Each week you need to keep track of your leadership hours in the school and community. Some possible examples of activities to include in you logs are listed in the table below, but there are many more possibilities. Talk you your teacher if you are unsure if you should write something down.

Community Involvement	School Involvement
<ul style="list-style-type: none"> - Clubs (cadets, rotary, etc.) - Church (volunteering with children or in the community, etc.) - Missions (trip, sponsor, etc.) - Volunteering (at local organizations, or as a ref or coach of a community team, etc.) - Fan support for a Community Team / Event 	<ul style="list-style-type: none"> - School Clubs - School Committees - Volunteering for events not run by leadership - ‘Above and beyond’ for a class - Fan Support for a School Team

Include Details!

For each of the activities above that you have been involved with, give a more detailed explanation (either in sentence or point form). What were you doing? Why? What were you responsible for?

Remember, this is a big portion of your leadership mark!

Required Hours: (per term)

School:

- the event(s) you organize
- attendance at / participation in all leadership run events
- 10 hours of other school leadership / event participation (not connected to class)

Community:

- 15 hours of **volunteer** work in the community

Note: If you are receiving credit for your hours in other courses (like WEX), or if you are paid for the work, these hours **DO NOT** count towards these required hours, but still include them on your log so I can see what you are busy doing.
